## Clare County Development Plan 2023-2029

### Submission / Observation

lack of  
My concern is about the access to the river and the river walk at the Anglers Rest Dooness.

A walkway previously existed but the new owners of the Anglers Rest blocked the access.

The right of way along the river via the Cool Mile Falls steps existed for generations and it should be restored, allowing a river walk to Keshicounell.
