Clare County Development Plan 2023-2029

Submission / Observation

I would like to observe that as a local person to the area of the river, living on the castleconnell side.

I walk the banks of the river every 2 days and object to being ~~threatened~~ with legal action for continuing with something I have practiced for 40 years.

A precedent will be set encouraging other landowners to close up rights of way and greenways.

This is ~~is~~ what our country is on one side spending money on creating while on ~~at~~ another council is not fighting to protect what is already there.

This is a council and government issue not a personal local
