Clare County Development Plan 2023-2029

Submission / Observation	
The Right of way at the anglers Rest must be opened to the public.	
The Co Council should apply to the Court to force the owners of the Anglers Rest to take away all Restrictions on the R.O.W.	
I own a portion of the same R.O.W. on the Limerick Side, if the owners of the Anglers Rest are allowed to close the R.O.W. it will create a precedent for all of the River walk R.O.W. to be closed up.	
The County Council are the servants of the people, it should not be left up to the Local community to take out court orders to have the R.O.W. opened up.	
This is a long well established Right of way for more than 150 years.
