## Clare County Development Plan 2023-2029

### Submission / Observation

As a Clonlara Resident of long standing I wish to have the access to the Shannon river at Doonass included as we have access to the river as has been done by generations of Clonlara people down the years. The Clare Co Council have been negligent in these duties to Clonlara residents - and all those who have walked the river bank and enjoyed the amenities while Doonass provides to all who have visited the falls of Doonass - and in recent years when Salmon fishing permits were issued for the CastleConnell Fishery and we now find ourselves locked out at all entrances to the fishing beats at Doonass, it is time for Clare Co Council to protect the rights of the community and do these duty for all locals.
