## Clare County Development Plan 2023-2029

### Submission / Observation

Great to see the development of our beloved County. As an avid Hiker I walk a lot of South East Clare, I am very disappointed to see the stand off over the right of way from the Military Bridge Castleconnell, to Deonass a walk I have done many a time as an individual and as part of a group. I hope this situation can return to the way it was, its encouraging people to walk our beautiful area, not denying them we should be doing
