## Clare County Development Plan 2023-2029

### Submission / Observation

My family and I are very upset and disappointed at the way in which the walkway around Doonass has been closed off to the community. We have on many occasions enjoyed a family afternoon walking and telling stories whilst walking along the waterfront.

We would very much like to make more memories around Doonass and would greatly appreciate any support that Clare Co. Council can give in assisting the re-opening of our beautiful Doonass.

Much Appreciated.
