Clare County Development Plan 2023-2029

Submission / Observation

Open up the "Right of way" beside the graveyard and the former pub called the angtees rest leading to the "Cead Mile faibre" gate which has been used by countless generations of people from Clonlara/Castbarrell and tourists wanting to view the old Turrell of the Massey family and the Halls of Doonass my own family were born in Doonass and we have used that route for as long as I can remember, it is very wrong to deny local people "right of way" for that privilege they had for years and years
