Re: Clare County Development Plan 2023-2029.

I am writing in relation to the issue with the above Development Plan.

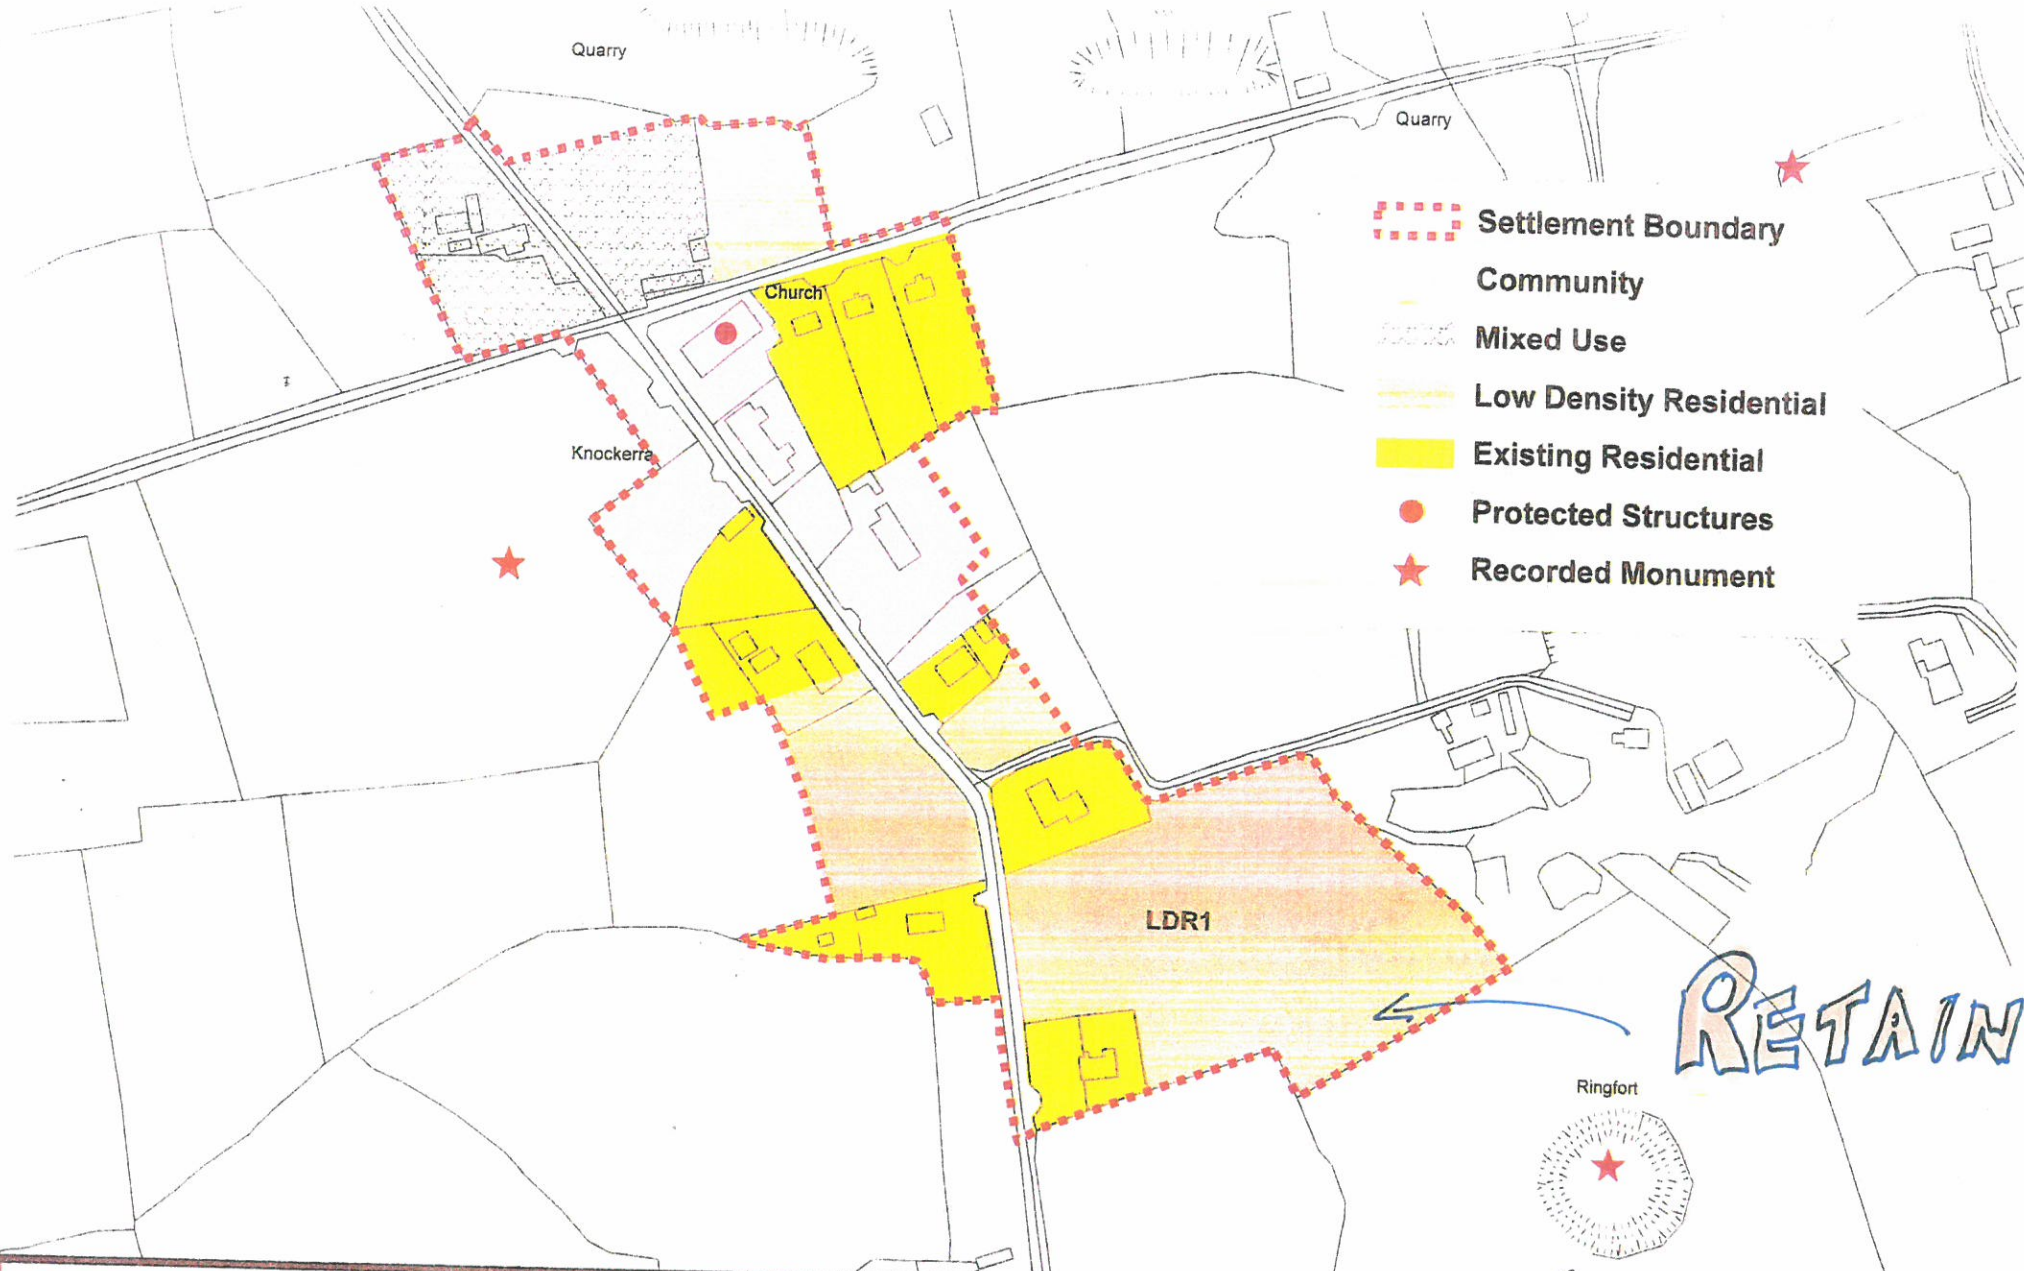

My land at Knockerra Village is marked VGA1 in the Development Plan. It should be noted that this is the only site within the village with capacity to service more than 2No dwellings. The Development Plan 2017-2023 included the total site.

I would appreciate if the total site was included in the Development Plan 2023-2029.

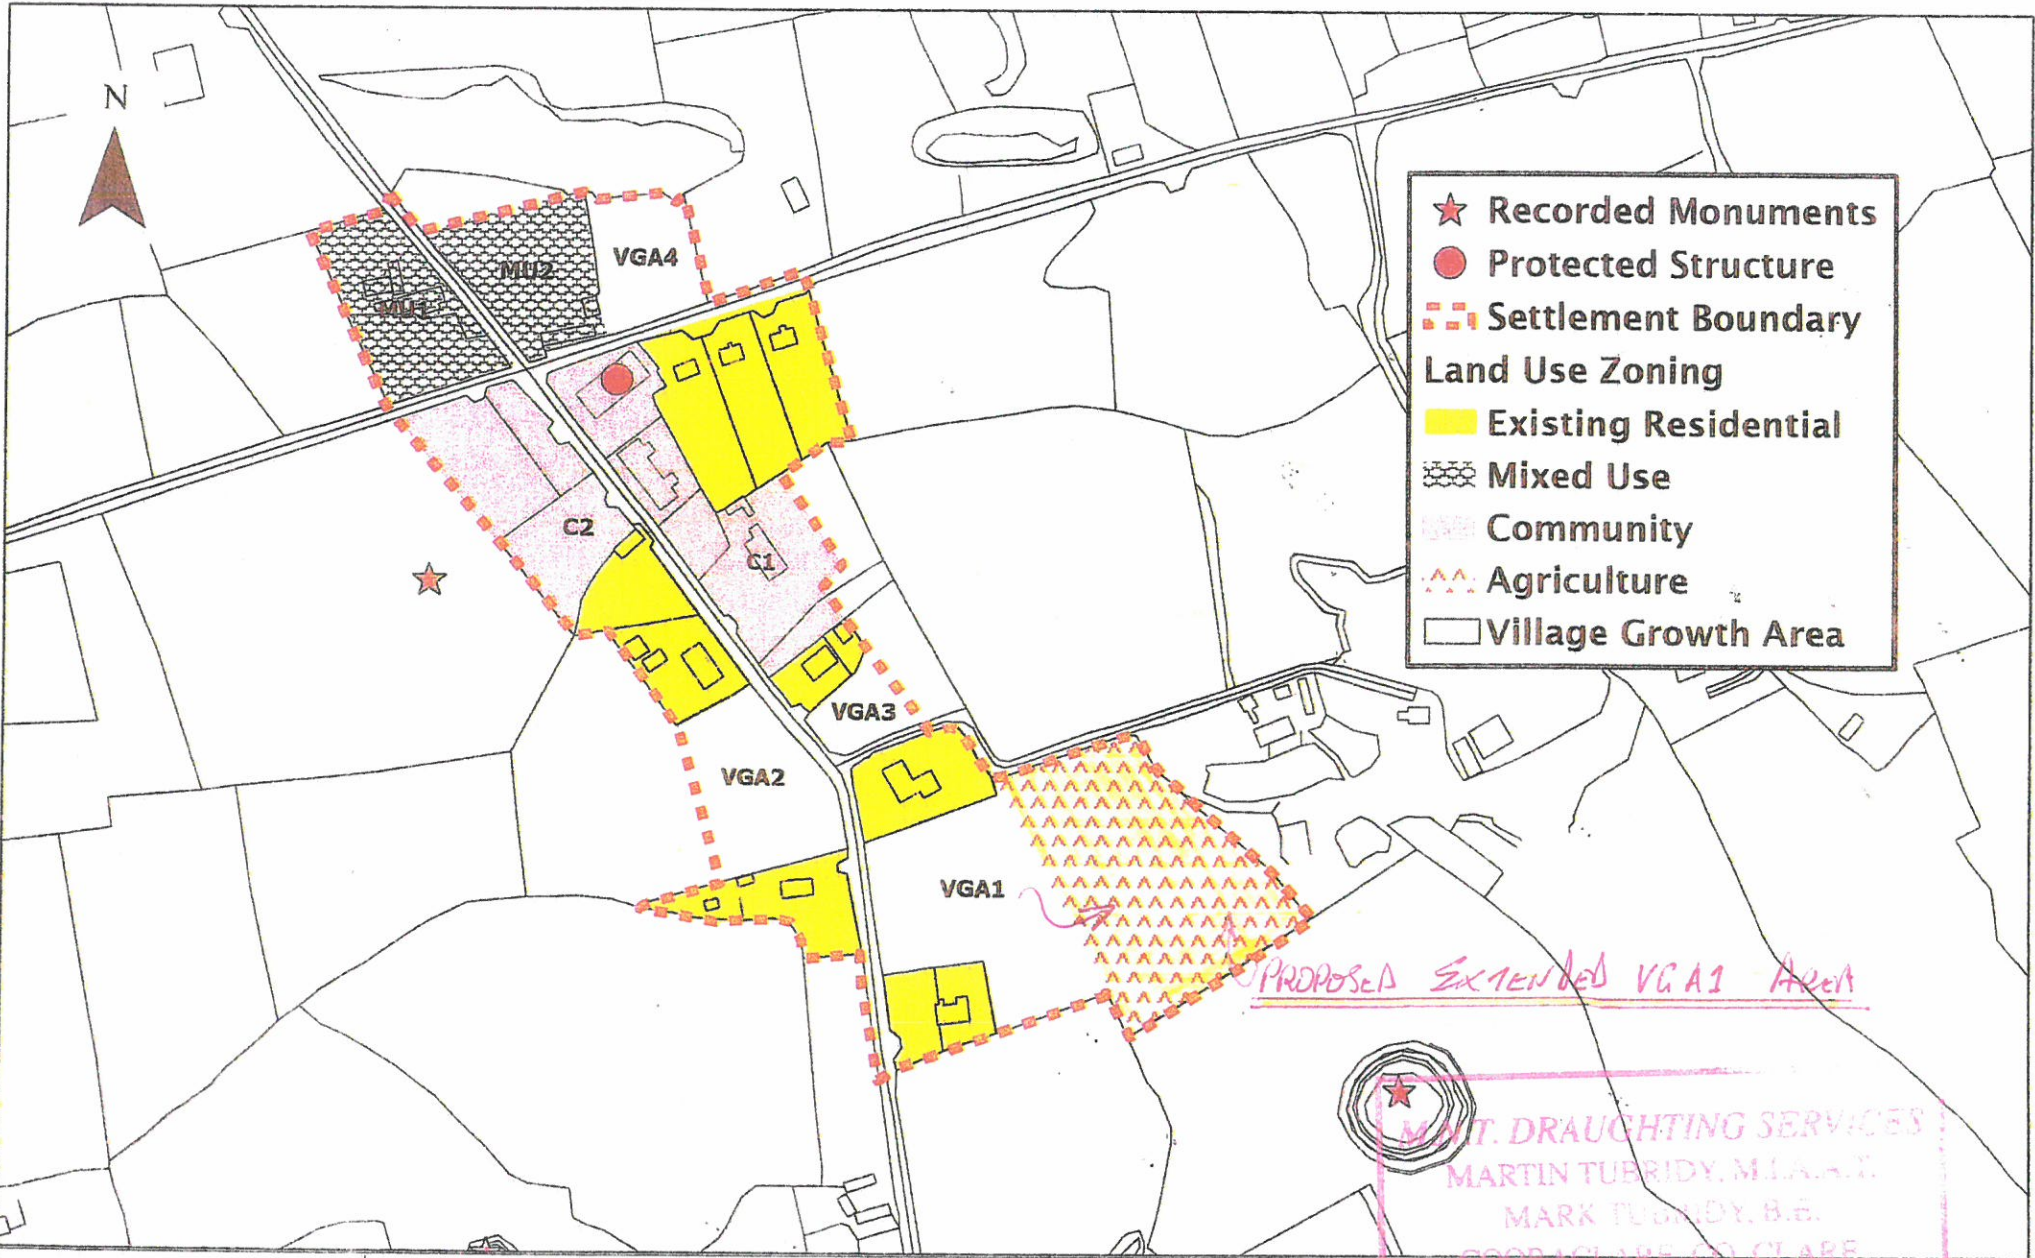

Thanking you.

Yours faithfully,

Patrick Fitzpatrick
