Meelick village developments. There is proposed developments in the new area around the pub and Elton Court. There also is a need for one off houses for locals who own land for generations. There has been lots of refusals dating back 20 years which is forcing debt on people while developers profit from large developments. If this area is re zoned local people should also be allowed develop on there own land instead of using locals land as supposedly green areas etc. Local people first should be the mantra.
