Re: Development Plan 2023-2029

A Chara,

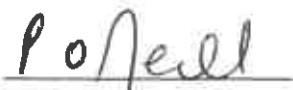

I refer to lands outlined on the attached map. These lands, in my ownership, are in Connolly and I request that they are rezoned as residential in the Development Plan.

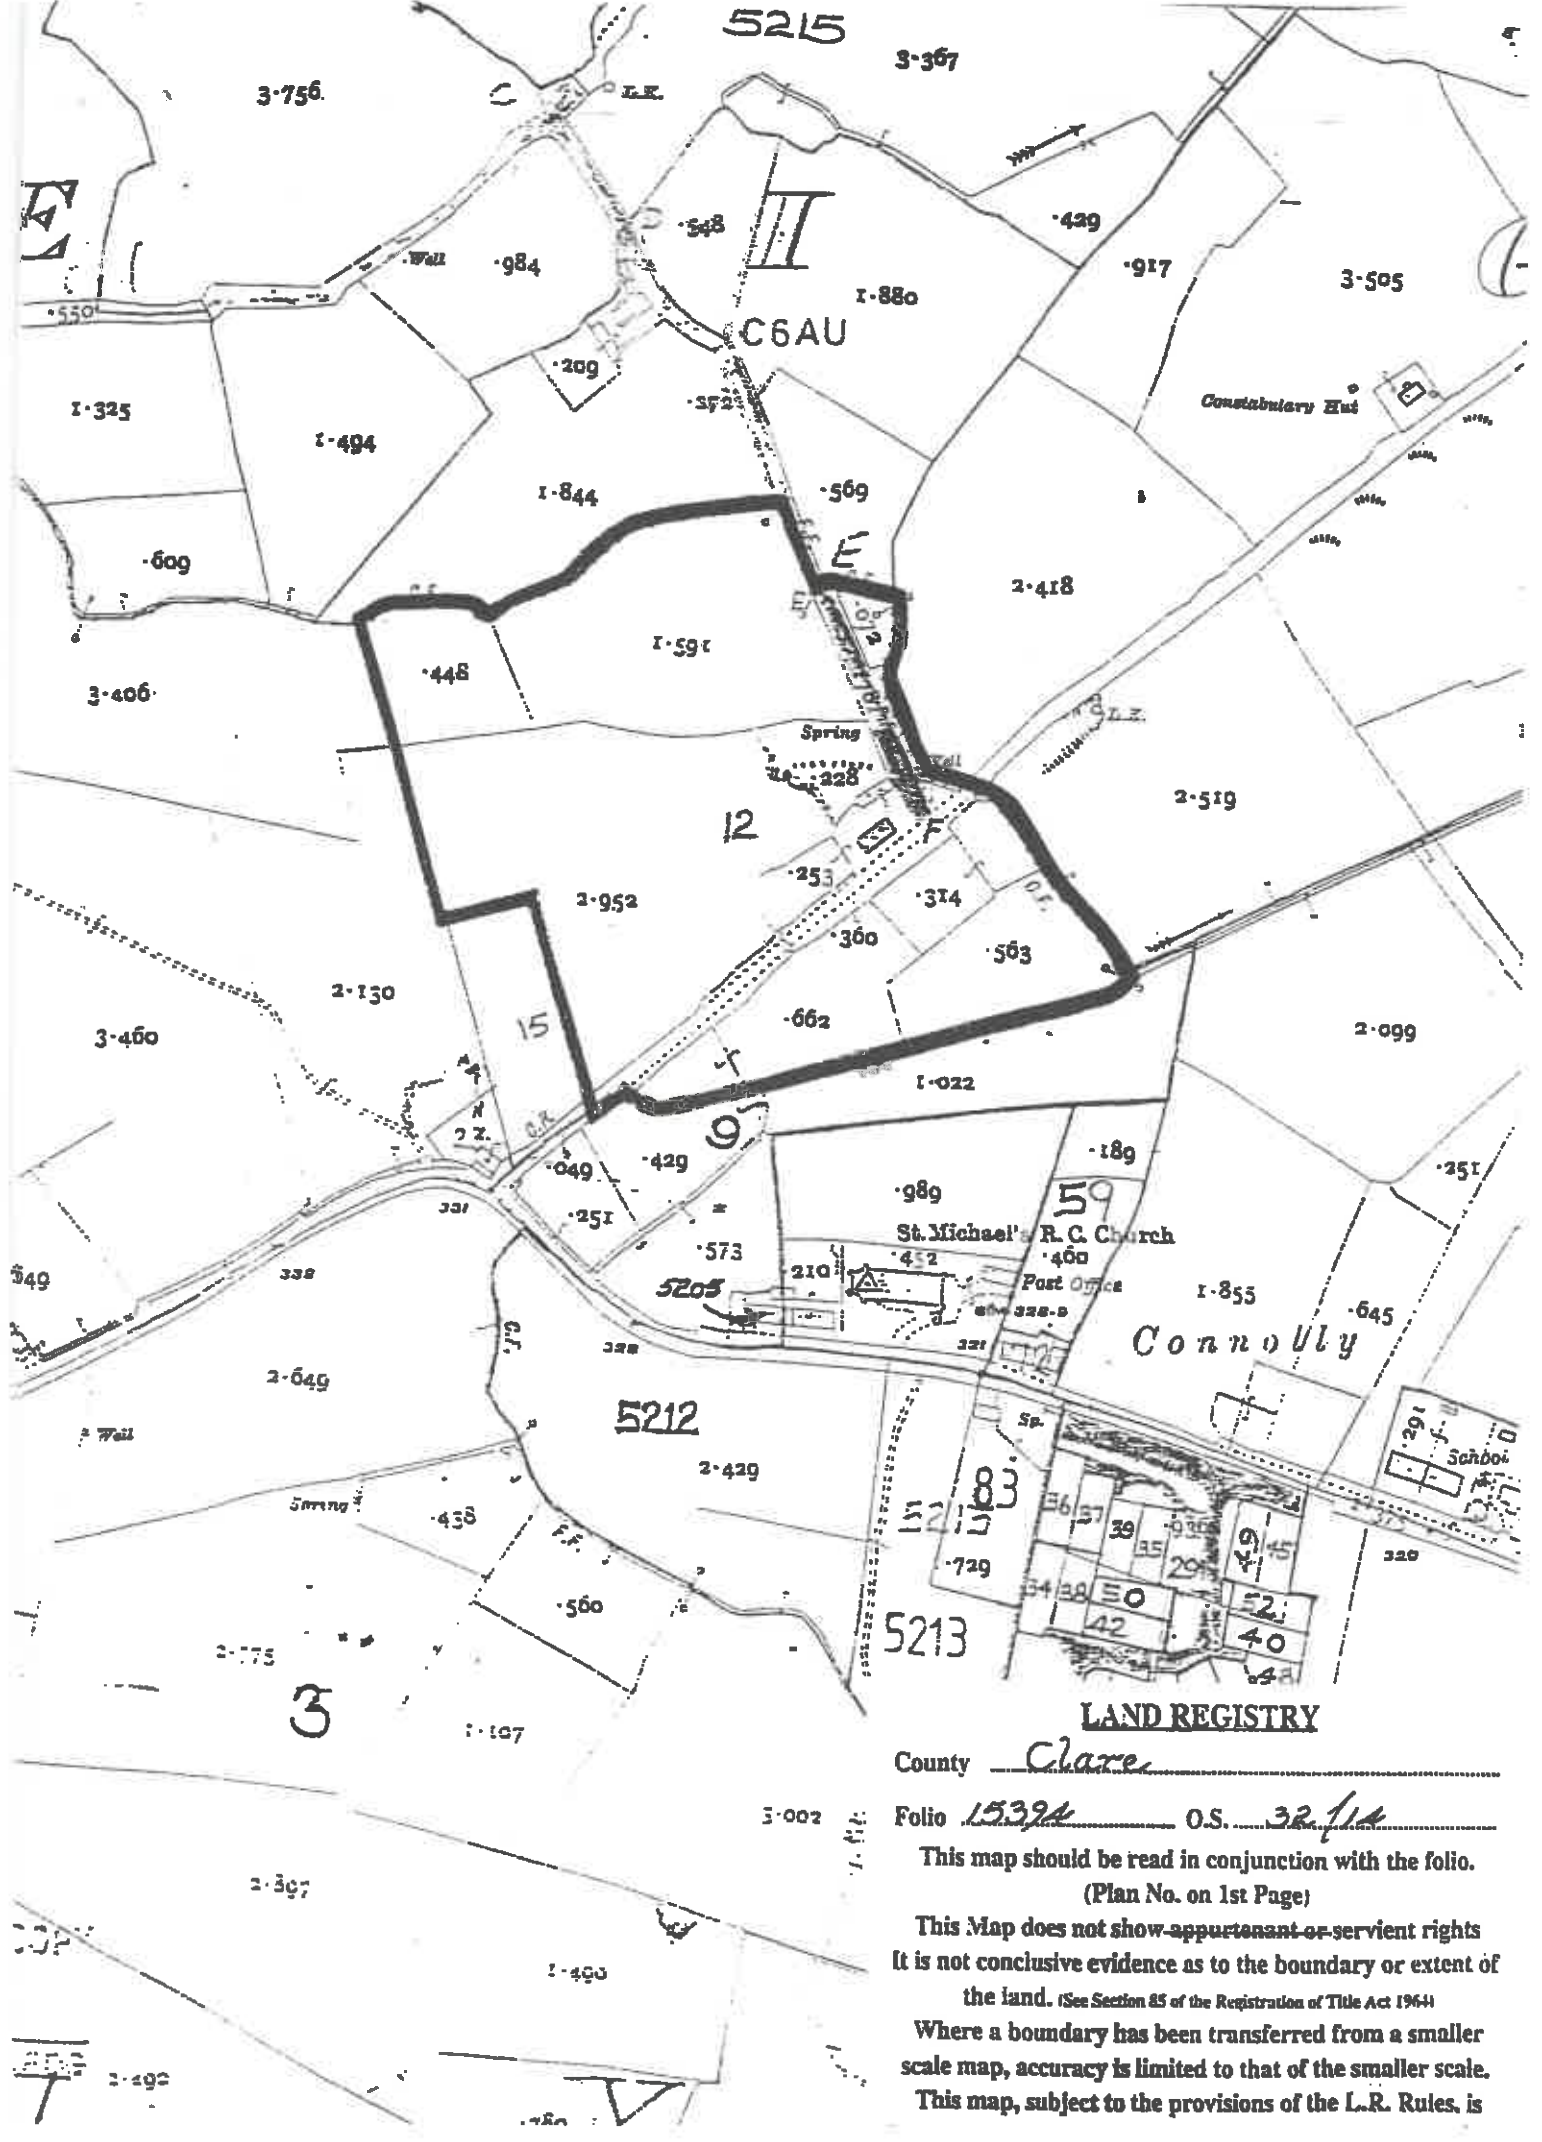

The lands are in close proximity to Connolly village and will enhance the sustainable development of the village. Development on these lands will also advance the economic and social growth of the parish and the area.

In recent years, development has been concentrated in the larger towns and villages. This land is ideally suited between the larger urban town of Ennis and tourist towns/villages in West-North Clare. The provision of housing in this area would reduce the housing pressures in the urban area of Ennis, whilst providing a high quality of life for residents.

Should you have any questions relating to this submission, 

Regards

Patrick O'Neill
