We wish to make a submission to change zoning of Industrial land use to Residential use as this is our private property to the rear of our house and we do not intend to use it for industrial use now or in the future. We do not have any submission regarding the other areas zoned industrial around this. Also we wish to submit that there is lack of public footpath and lighting along the back road which is part of the village of Kilmihil. The road is used by many people for walking and the lack of lighting from can be dangerous.
