Dear Sir/Madame we wish to note that the bog road which runs from the church to the Clonbony rive is used by us to move livestock from one parcel of land to another adjacent to church car park. If the proposed greenway goes ahead it will divide my lands in 2 and this will make this road more vital for access to my land as it will be the only way please see ordinance survey map attached ref number C15904201

Yours faithfully Andrew and Tracy Clancy
