**Subject:** Submission regarding maintenance of footbridge at Doonass .Clonlara.  
**Attachments:** 20220321\_171545.jpg; 20220321\_171613.jpg

The footbridge between Doonass and Castleconnell over the river Shannon is an important local amenity for the communities on both sides of the river.

Please refer to [heritage.clareheritage.org](https://heritage.clareheritage.org) for the historical background.

The village of Castleconnell provides many services for the people of Clonlara: Post Office, Credit Union, supermarket, frequent bus service to name but a few.

In these times of promotion of outdoor exercise, reduced carbon emissions etc, it is important that this footbridge is maintained to a safe standard.

Yours Sincerely,

Rosemary Hannan.
