As a homeowner of [REDACTED] Dun Na Mara I wish to submit that the field adjacent to me is not suitable for Tourism
<https://scanner.topsec.com/?d=1293&t=a4fad85e503452a81bcddcf1a79328c0163f570c&r=show&u=purposes>.It should be re-zoned as an agriculture field .

1/There is not a suitable water infrastructure in the area to support Tourism Development.

2/The field is very low lying and any tourism development would result in more flooding.

3/There is not a safe access to this field from the main N67 or from the Dun Na Mara estate to support Tourism Development. Please disregard previous email details incorrect Sincerely Margaret Hickey .
