Draft Clare Draft Development Plan 2023-2029

Submission from **The Doora Community Development Group**

Relating to Noughaval Doora, located within Volume 3a Ennis Municipal District Settlement Plans, page 13, within the Draft Clare County Development Plan 2023-2029 – Development Lands for Population Growth.

The Doora Community Development Group would like the following submissions to be consider under the Clare County Development Plan Review for 2023 – 2029.

1. Under the strategy for Growth and Sustainable Communities objective, lands have been identified within the environs of Doora village for the provision of cluster housing and community area, reflective of the character of the existing village. The lands are identified in the map attached and a consent letter has been received from the landowner.

Doora Community Development Group

The Doora Community Development Group was recently established following a local need to have a strong and proactive representative group for the village. The group was established as a voluntary community group, representing the interests of the community. The groups' objective is to develop and promote the village and to make the area a better place to live, work and visit by initiating, organising and implementing targeted projects and programs to address problems affecting the local community.
