Subject: Submission to Draft Clare County Development Plan 2023-2029"

A chairde,

I wish to submit that the lands Zoned R1 south of the R466, Doon road, Broadford, on the previous development plan, remain zoned for development or for Village enlargement.

Reason: Other lands identified on this Draft plan for Village enlargement do not appear to have adequate access from a Road Safety perspective.

Is mise le meas,

Padraig Moroney
