28/3/2022

Dear Planner,

I wish to have my lands changed from SR I and SR II in the proposed plan to Low Density Residential as they are in the present Plan for Coonfin. (outlined in Red.).

As I wish to develop my land in the near future strategic reserve is too long a time frame to await development.

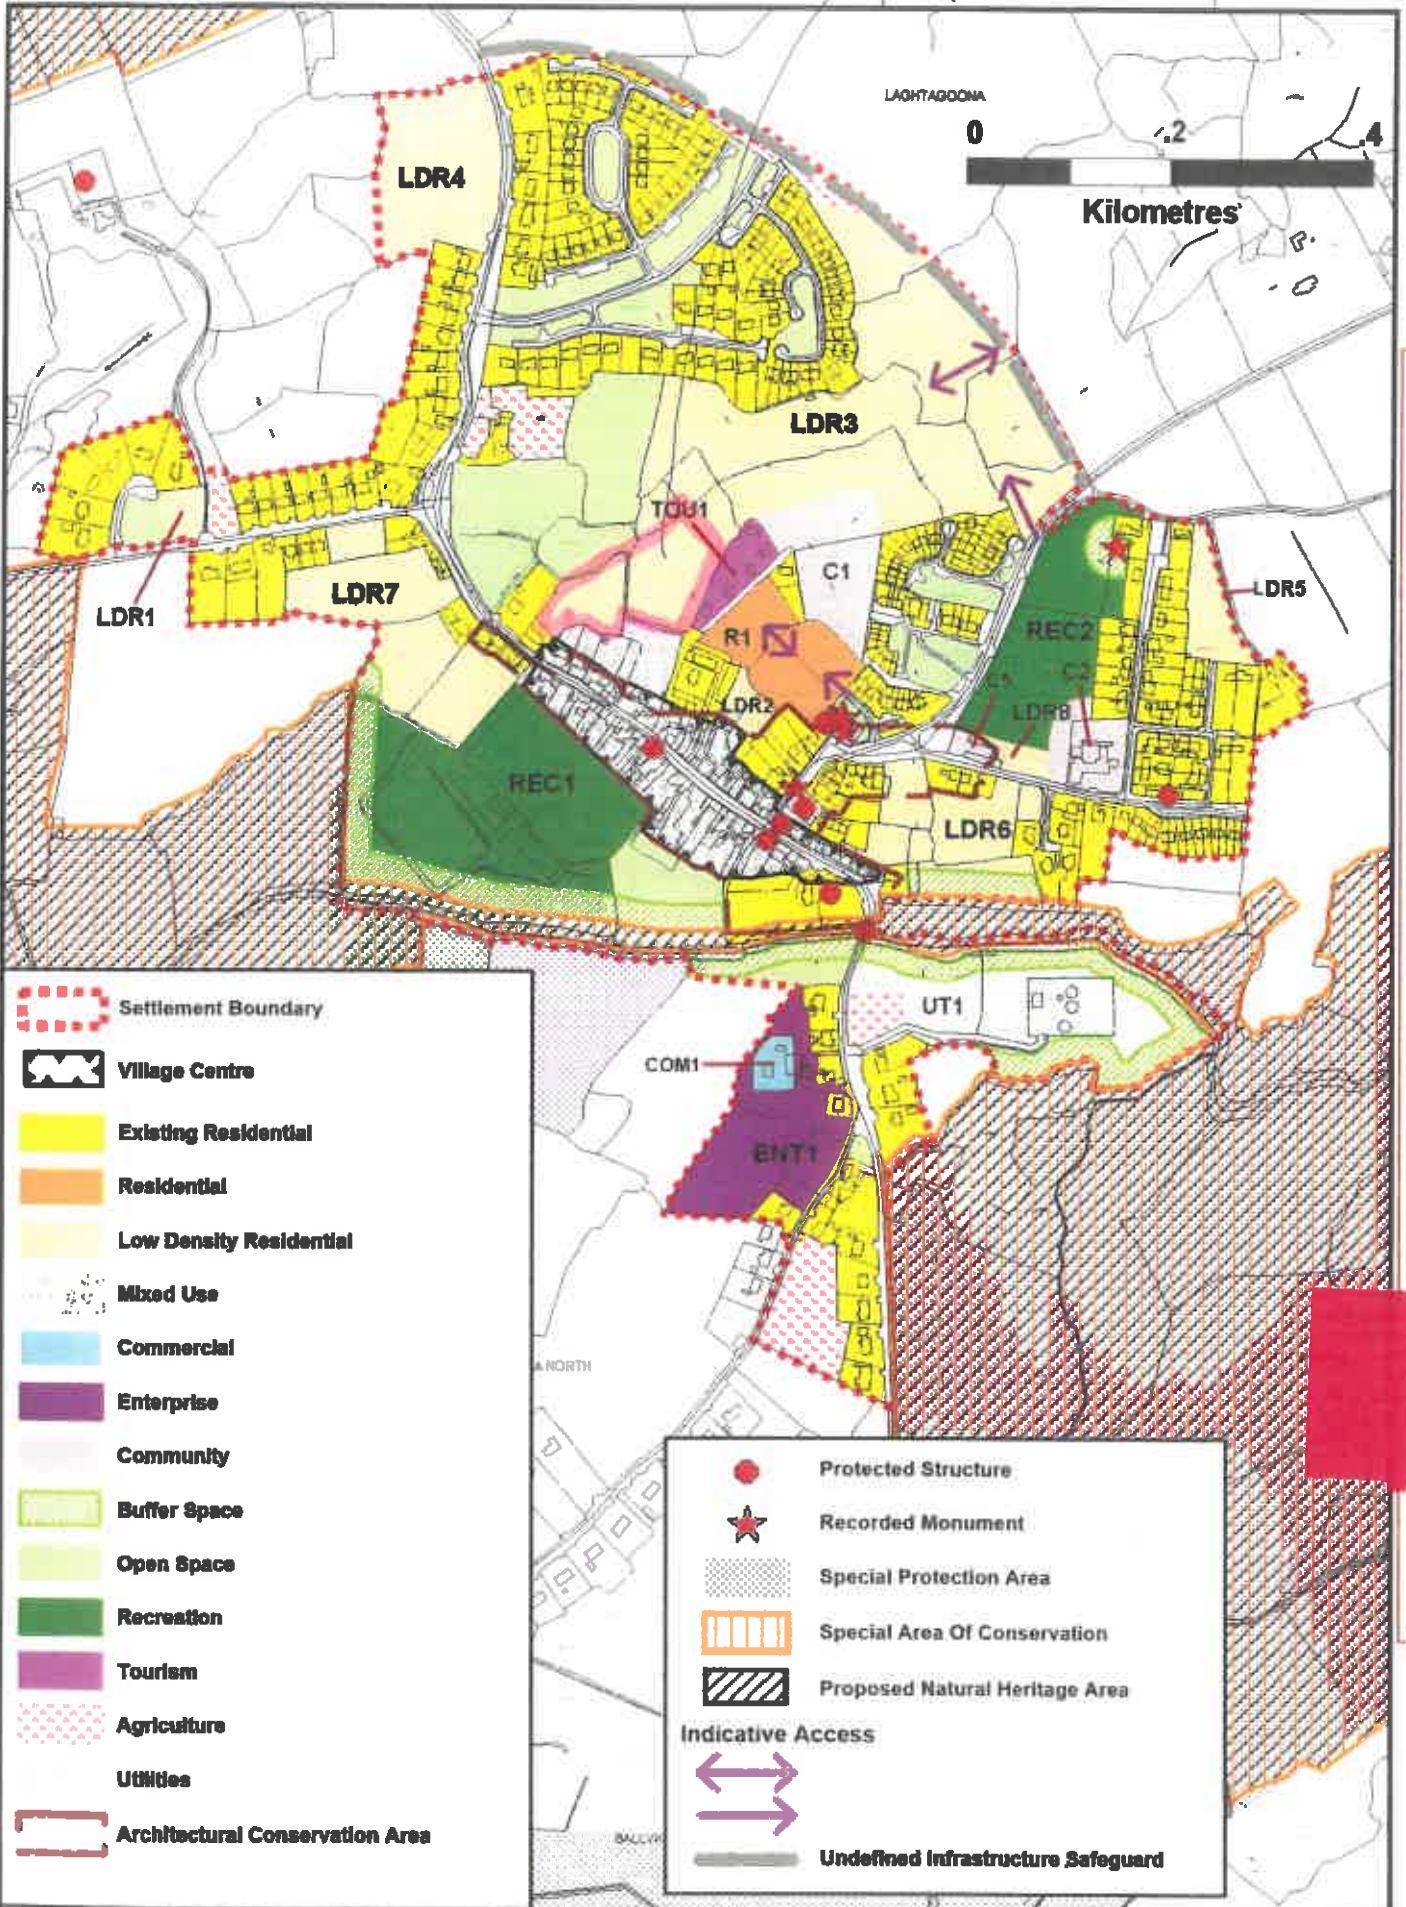

I have drawn up plans already for its development.

Hoping you consider my application favourably.

Thanking You

Tom Hogan Tom HOGAN.

proposed change retention of 71
