Subject: Submission to Draft Clare County Development Plan 2023-2029
Attachments: Doolin Pier CCC Dev Plan Ennistymon Area office submission.pdf

Hi,

The Ennistymon Area office would like to make a submission to the draft development plan for Doolin.

Please find attached marked up plan of the pier area. The area office is requesting that the draft plan for the pier area be amended as follows:

1. The existing Maritime / Harbour zoning be extended to the field boundaries (to the existing stone walls). This is shown is hatched blue.
2. Section A highlighted in the attached be included in the Maritime/Harbour zoning
3. Section B highlighted in the attached be included in the Maritime/Harbour zoning

The proposed changes are to allow for the development of essential car parking for the pier which will encourage activities related to maritime and tourism use. The ever increasing visitor numbers to Doolin Pier require Clare County Council to provide adequate car parking facilities. The proposed Visitor Services Building is likely to further increase visitors to the area.

Regards

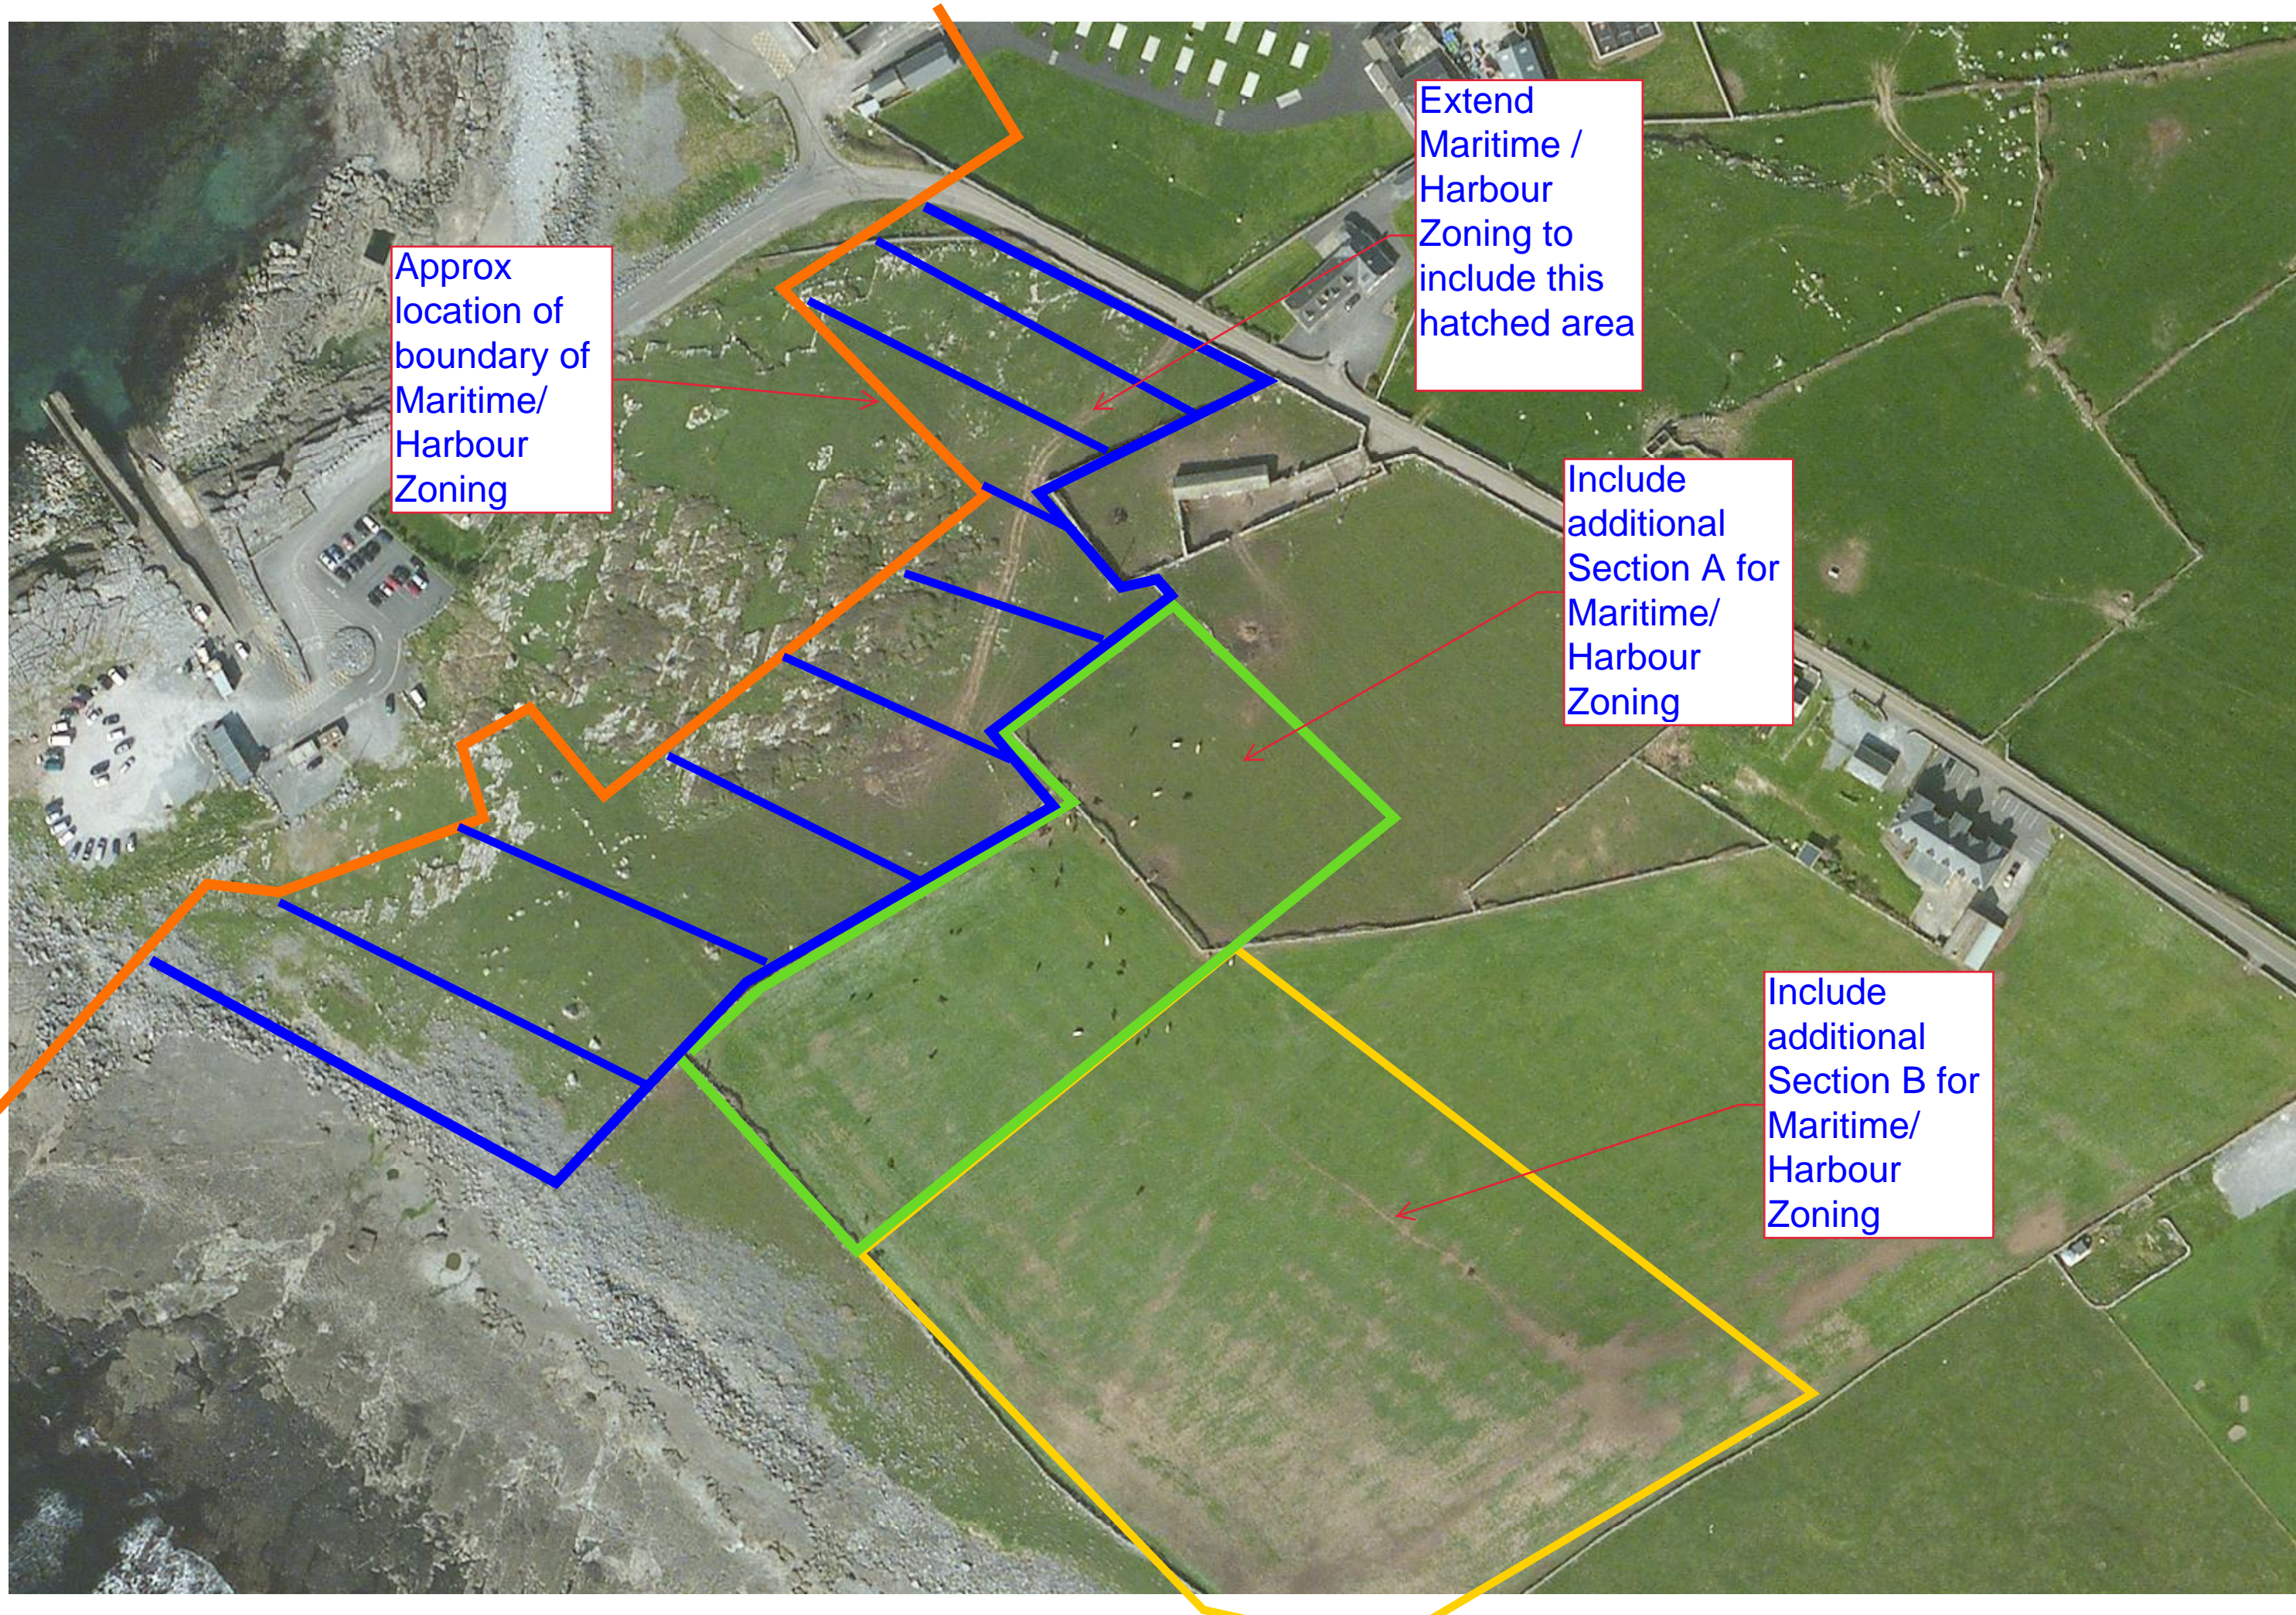

Enda
