RE: Submission to Draft Clare County Development Plan 2023-2029 - Inclusion of former West Clare Railway Infrastructure to RPS

To whom it may concern,

I wish to propose the inclusion of the remaining bridge abutments of the former West Clare Railway at Crag, Lahinch and remaining abutments at Moy, Lahinch are included in the RPS. The abutments are to be included under Architectural, Historic, Social and Technical headings in the RPS. Abutments are under threat from development encroachment. Access to the RPS will provide access to streams of funding and ensure their survival for future generations,

Kind regards,

Bláthmhac Ó Muirí MRAI
