None of the above

Submission

A review of both Boston and Tubber primary school buildings are needed with adjacent childcare and playing facilities and parking. Pupils have to be brought via buses and parents to any facility. Currently none of the schools have parking on the same side of the road. The strategy for growth, re-use and redevelopment of vacant or derelict sites and buildings should be supported across the parish and not just in the village. Tubber GAA grounds should be zoned for Community Use.
