Re: Development Plan Review (O' Curry Street Kilkee)

To whom it may concern,

On behalf of the under-signed residents and business people of O' Curry Street, Kilkee, I wish to add our voice to local submissions to the Clare County Development Plan. We wish to register our concerns to any implicit suggestion of infrastructural changes to this our main street in the centre of the town.

While we support the Kilkee Chambers of Commerce submissions in so far as they relate to housing provision, potential repurposing of the old Courthouse, the reservoir restoration etc, we do not support any notion of pedestrianisation of this our main street. Nor do we or would we support any suggestion/proposal to impose a cycling lane.

Any such infrastructural disturbance would adversely impact the day to day lives of both residents and traders alike. It is imperative that ease of access and parking be retained for residents, traders, suppliers and indeed our customers and that the status quo be protected in that regard.

We sincerely hope that our strongly held views are afforded due courtesy and consideration in drafting the next County Development Plan.

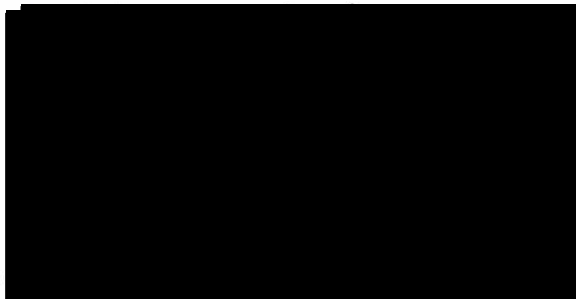

Yours Sincerely,

Annie Nolan
