Subject: land zoning

Hi im a resident on riverdale, westbury.i would like please to make an objection to the land being destroyed at the end of our lovely estate.there is so much wildlife down there ,it would be an absolute sin to take their home.the children on the estate spend hours playing there too.at a time where we don't have anywhere for them to go ,or anywhere in westbury or near by where they can play .I feel its crucial that they have that..im very concerned about it ,thank you so much for reading this regards denise Mcnamara
