Subject: St. John's Cratloe

Hi Carmel,

As promised below is a flavour of "Services Lacking" in Cratloe, in our pupil's opinions:

A train station does exist in Cratloe, however trains do not stop. The children would like the train to stop in Cratloe.

More bus stops.

More footpaths.

A bigger supermarket & a petrol station.

A pharmacy and a car charging point.

Speed ramps.

Maps showing routes in the woods.

The pupil's agree that the GAA pitch and walks in the woods are facilities they are happy with.

Many thanks
