Subject: County development plan

Clare County Council,
New Road,
Ennis,
County Clare

16 November 2020.
Re County development plan 2022-2028
A Chara,

We think the slieve Curran area should not be zoned for wind turbines, it is too close to residents, not good for bio diversity and tourism, can also cause mudslides as recently seen. We think it should be taken out of the plan for 2022 until 2028.

Regards,
Slieve Curran Opposition group.
