Dear Sir/ Madam,

I am emailing to say that I was delighted to hear that the Ennis Post Office Field will not be developed.

I welcome the Clare County Council proposal that the Ennis Post Office Field be omitted from the Enis 2040 Strategy. This site is an important refuge for wildlife, including otters [an Annex II and IV species under the EU Habitats Directive (92/43/EEC)] using the River Fergus which is part of the Lower River Shannon Special Area of Conservation (designated under the he EU Habitats Directive).

Thank you and best wishes,

Kristi Leyden, Ecologist
