**RE: Variation No. 1 to the Clare County Development
Plan 2023-2029**

30th March 2026

To whom it may concern,

We, Martin and Michael Donnellan, wish to make a submission in respect of the above plan.

Due to a change in circumstances, we now request that our lands—identified as R1 on the Whitegate settlement map—be reinstated to residential zoning rather than the proposed agricultural zoning. This amendment is necessary as the lands are currently for sale, and there is potential for future development which would be facilitated by appropriate residential zoning.

We appreciate your consideration of this request.

Yours faithfully,

Martin and Michael Donnellan
