Subject: Deletion of Development on Riverside Car Parks
Date: Wednesday 1 April 2026 19:59:16

To whom it may concern!

we in Retailers of Ennis applaud the decision to pause plans to build on our two riverside cararks.

We further ask you to include in the development plan a commitment never to countenance development on these vitally important sites which facilitate healthy commerce in our town.

We, as an entity that represents the majority of businesses in Ennis, will always be available for discussions that lead to the enhancement of this treasure of a town that we are so fortunate to inhabit.

Le meas mór!

John O' Connor, Chairperson - Retailers of Ennis.
