

**RE: Variation No. 1 to the Clare County Development
Plan 2023-2029**

2ND April 2026

To whom it may concern,

I, Ann Coen, wish to make a submission in respect of the above plan.

I request that my lands—zoned part of R9 on the Whitegate settlement map—be reinstated to agricultural zoning rather than the proposed residential zoning.

I appreciate your consideration of this request.

Yours faithfully,

Ann Coen
