

**RE: Variation No. 1 to the Clare County Development
Plan 2023-2029**

To whom it may concern,

I, Michael Treacy, wish to make a submission in respect of the above plan.

I request that my lands—zoned R5 on the Whitegate settlement map—be reinstated to agricultural zoning rather than the proposed residential zoning.

I appreciate your consideration of this request.

Yours faithfully,

Michael Treacy
